Déar Ms. Le:

Recently, I received a reply from US Citizenship and Immigration Services in response to our inquiry on your behalf concerning your parents' immigrant petitions – Mr. Thanh Ba Le and Mrs. Ha Thi Nguyen.

According to the USCIS, processing of your parents' cases have been delayed. USCIS is currently awaiting the results of required security checks. These background checks are required of all who apply for the immigration benefit which your parents are seeking. USCIS will make every effort to make a decision on this case as soon as the security checks are complete.

Further, USCIS informed us that your parents are missing biometrics information captured on form I-89. They should make an appointment with the local USCIS office (in the USCIS website INFOPASS) to have the Form I-89 prepared and submitted to be used in card production when all checks and adjudication is completed.

Please do not hesitate to call Ricky Le, who has been assisting me with your case, if you find the information from the USCIS is unclear. He can be reached at (408) 271-8700.

I am pleased that my office was able to make this inquiry on your behalf. Please do not hesitate to contact me again should you need assistance in the future on this or any other federal matter.

Sincerely,

  
Zoe Lofgren  
Member of Congress

Dear Mr. Siciliano:

My name is Tiffany Le, the daughter of Mr. Thanh Le and Mrs. Ha Nguyen. I am writing this letter on behalf of them to ask your help about the case of my parents. They came to the United States on 10/17/03 as tourists. On 3/22/2004, I filed the adjustment of status for my parents to become permanent residents in the U.S. They have social security numbers and alien numbers after the interview with an INS officer on 2/15/05. The interviewer said my parents expected to have green cards within 90 days.

However, my parents did not receive any letter or green cards although I have tried to contact a local INS four times for checking their case status information. The first officer said their case was still pending for FBI background check. I came back a local INS 3 months later, the second one found out that they forgot to enter original birth place of my parents, so he thought their case was delayed due to it, and he fixed it then. The third and fourth officers said the same thing as the first one. They all asked my parents waiting but they did not give me the approximate time. Now it is more than a year since the interview day. I really want to know when my parents actually have green cards.

I also sent an email to FBI on 8/1/05 and filed inquire forms on 10/19/05 but still did not receive any response from FBI and INS as well. **Please advise me what I need to do for my parents and when they actually have green cards.** Again, could you please issue green cards for them and let me know if any things need to submit for completing their file.

I thank you for your consideration and assistance and look forward to hearing from you as soon as possible. Please contact me at the address or phone numbers above if you have any questions or concerns.

Regards,

Tiffany Le

2. An email sending to FBI
3. 2 fingerprint receipts
4. 2 interview receipts
